FGV Rio ENACTUS January 2015 - December 2015
Volunteer - Project Leader

ENACTUS is an international organization that focuses on improving living conditions through entrepreneurship. The project I led had the main goal of helping low-income entrepreneurs succeed in their businesses. We did that by offering free courses on principles of finance and legal notions to entrepreneurs from *Rio de Janeiro's* slums, which took place both in their communities and at our college.
